He said he had tried to reach Mr. Hoover at his home as he thought Mr. Hoover should know of certain developments in connection with the request of Dr. Kissinger yesterday.

He said Colonel Haig visited him this morning and made certain requests re a Colonel in the Pentagon. Mr. Sullivan does not want to move on this until he has gotten Mr. Hoover's approval - and "they" do not want anything in writing.

Mr. Sullivan said he would try to reach Mr. Hoover this evening or tomorrow.

We are conducting telephone surveillances on Daniel Ira Davidson, Morton H. Halperin, Helmut Sonnenfeldt, Richard M. Moose, and Richard Lee Sneider, in whom Dr. Henry A. Kissinger is intensely interested regarding leak of information to "The New York Times" or elsewhere. A request has been received from Colonel Alexander M. Haig, who is assigned to Dr. Kissinger's staff, for telephone surveillance on Henry Brandon.

There is attached a memorandum to the Attorney General containing background information concerning Brandon and advising that telephone surveillance will be installed upon the Attorney General's approval. If approved, the memorandum will not be filed but will be maintained in a secure, off-the-record capacity as basis for authority.

RECOMMENDATION:

1. The attached memorandum containing only the original be handled by the Director with the Attorney General as was done with the previous two requests concerning the above-mentioned individuals.

2. This memorandum be returned to W. C. Sullivan to be retained with the rest of this extremely sensitive material.

Dr. Kissinger is aware of this request.

MR. TOLSON:

JUNE

By reference from the Director's office, I talked to the Attorney General (AG) at 5:15 p. m. on July 22, 1969. The AG inquired as to whether I was familiar with "the wiretapping business at the White House." I answered in the affirmative. He then asked me if I had heard the name of John Sears. I told him I was not certain about this name; however, I thought he must be one of the individuals involved in this matter. The AG stated this was correct. He then added that the President was extremely exercised and very aggravated over this matter. He stated the President wanted [redacted] material from [redacted]

b6
b7C

The AG indicated that the President had ordered him to tell the Director that he wanted a 24-hour surveillance and a tap placed on Sears. He said that we should report to Ehrlichman's office the results of the surveillance and the tap. I asked him if he also wanted the results in this regard and he stated he would appreciate being kept advised.

The Director was advised of the above information at 5:30 p. m. on July 22, 1969. The Domestic Intelligence Division has been instructed to check on the name of John Sears and to prepare a memorandum expeditiously for the Director concerning this individual. Instructions have also been issued to conduct the 24-hour surveillance requested as well as to make an immediate security check to determine the possibility of placing a wiretap on Sears' home telephone, it being noted that it is completely impractical to try to place such a wiretap at the White House.

Although a summary memorandum is being prepared by the Domestic Intelligence Division concerning John Sears, as mentioned above, I have been advised by Inspector Sizoo, Domestic Intelligence Division, that files reflect we investigated Sears at the request of the White House in January, 1969, and that Sears was apparently at that time in Ehrlichman's

office. This is believed to be true inasmuch as "Time" magazine had an article reflecting that Sears, one of the assistants to the Legal Counsel, had originally thought he was going to be close to the President; however, found that he was overshadowed by Ehrlichman and Haldeman. Sears later lost his title to Harry Dent who was formerly Administrative Assistant to Senator Strom Thurmond. A more detailed memorandum will follow.

MEMORANDUM FOR THE ATTORNEY GENERAL

RE: COLONEL ALEXANDER M. HAIG
TECHNICAL SURVEILLANCE REQUEST

Previous memoranda have requested and you have approved telephone surveillances requested by Colonel Alexander M. Haig, who is assigned to the staff of Dr. Henry A. Kissinger of the White House.

Colonel Haig has now presented an additional request advising that it is being made on the highest authority in connection with the same sensitive matter. He requested that a telephone surveillance be placed on William L. Safire of the White House staff.

Safire resides at 6200 Elmwood Road, Kenwood, Maryland, and has unlisted telephone number 652-7374.

Recently, Safire was in contact with Henry Brandon, correspondent for the "London Sunday Times," on whom you previously authorized a telephone surveillance in this case. Safire agreed to advise Brandon in advance of the contents of a speech to be made in the future by the President.

SPEC OV

We are conducting a telephone surveillance on several individuals in whom Dr. Henry A. Kissinger of the White House is interested regarding leaks of information. A request has been received from Colonel Alexander M. Haig, who is assigned to Dr. Kissinger's staff, for a telephone surveillance on William L. Safire of the White House staff.

b6
b7C

Safire was investigated by the Bureau in January, 1969, at the request of the White House. [redacted] is a citizen of [redacted]. Prior to his becoming a member of the White House staff, he had a public relations firm in New York City and wrote speeches for the President during the past Presidential campaign. Our investigation developed no pertinent derogatory information concerning him.

Recently, our coverage of Henry Brandon, correspondent of the "London Sunday Times," developed the fact that Safire and Brandon are friends. Safire advised Brandon that the President would speak on 8-8-69 and agreed to contact Brandon subsequently so that he could tell Brandon what would be in the speech. This appears to be the basis of the request for a telephone surveillance of Safire.

There is attached a memorandum to the Attorney General requesting approval for this telephone surveillance. If approved, the memorandum will not be filed, but will be maintained by Miss Gandy.

RECOMMENDATIONS:

1. That the attached memorandum containing only the original, be handled with the Attorney General. *see ser 272*
2. That this memorandum be retained by Miss Gandy in a secure, off-the-record capacity.

MEMORANDUM FOR THE ATTORNEY GENERAL

RE: COLONEL ALEXANDER M. HAIG
TECHNICAL SURVEILLANCE REQUEST

My memorandum of May 12, 1969, reported that Colonel Alexander M. Haig, who is assigned to Dr. Henry A. Kissinger's staff, advised this Bureau that a request for telephone surveillances was being made on the highest authority which involved a matter of most grave and serious consequence to our national security. He stressed that because of its sensitive nature, it should be handled on a need-to-know basis, with no record maintained. In response to his request, you authorized telephone surveillances on Daniel Ira Davidson, Morton H. Halperin, Colonel Robert Pursley, and Helmut Sonnenfeldt.

On May 20, 1969, Colonel Haig presented an additional request advising that it was also being made on the highest authority in connection with the same sensitive matter. He requested that telephone surveillances be placed on Richard M. Moose and Richard Lee Sneider, both of whom are on the staff of the National Security Council.

Mr. Moose is aged and served as a staff member with the National Security Council, Washington, D. C., from August, 1966, to March, 1968. From March, 1968,

Since January, 1969, he has again been serving as a staff member of the National Security Council. Applicant-type investigations by this Bureau in 1966 and in 1969 disclosed no unfavorable information of a security nature concerning him.

Honorable H. R. Haldeman, Assistant to the President, called. He stated that Dr. Henry Kissinger had handed him a copy of some information, and he did not know whether I remembered it or not, which I had sent over to Dr. Kissinger a couple of days ago, [REDACTED]

b1
b3

Mr. Haldeman asked if there was any way of figuring out who that was.

I told him there was not except that by keeping in touch with this fellow [REDACTED] we may be able to pick it up. Mr. Haldeman said that would be very helpful. He continued that on the other side, he would like me to put some coverage on Sonnenfeldt (Helmut Sonnenfeldt). I told him I would do that; that I think where someone is trying to get information from people in highly sensitive positions and peddle it around, it is bad and we ought, of course, have complete coverage.

b6
b7C

Mr. Haldeman said they have some concern on Sonnenfeldt and they may have a bad apple and have to get him out of the basket.

Mr. Haldeman said it would be helpful if we could put this on Sonnenfeldt and I told him I would take care of it right away.

The Attorney General (AG) called at 4:35 p. m. this afternoon and indicated that the President had reviewed the file on captioned individual which the Director had sent over to the AG yesterday afternoon, September 9, 1969. The AG stated that after reviewing the file, the President told him he wanted an immediate electronic surveillance (wiretap) put on this man. The AG stated this of course should be "accompanied by the other business."

I asked the AG what he meant. He stated that we should use whatever we might need in order to obtain information inasmuch as the President thought that Kalb might be receiving information. I told the AG I of course was aware of the ramifications of a wiretap, but "by the other business" did he mean physical surveillance. It was pointed out that such a surveillance tied up six men on a 24-hour basis. The AG thought for a moment and then stated he thought the electronic surveillance would be sufficient at this time. He stated that copies of memoranda regarding this surveillance should be sent only to Mr. Ehrlichman at the White House and to himself.

This matter was immediately brought to your and the Director's attention.

ACTION:

There is attached a suggested memorandum to the AG, for the Director's signature, soliciting the AG's signature for approval of this wiretap. All memoranda pertaining to this matter should, as usual, be forwarded to Miss Gandy for retention.

At 8:30 p.m., 5/2/70, General Haig, in Dr. Henry A. Kissinger's office, contacted Liaison Supervisor R. H. Haynes and advised that the President had called him concerning a serious security violation involving a leak by William Beecher of "The New York Times" concerning the Cambodian situation.* According to Haig, this leak has been "nailed down to a couple of people," and he requested on behalf of the President that telephone surveillances be placed as soon as possible on Beecher; Brigadier General Robert E. Pursley, Military Assistant to the Secretary of Defense; Ambassador Richard F. Pedersen, Counselor of the State Department; and Ambassador William H. Sullivan, Bureau of East Asian and Pacific Affairs, State Department. Haig stated he would like these surveillances on the individuals' homes and offices; that he fully realizes the difficulty in covering office phones in State, Defense, and "The New York Times" and knows that this might not be feasible.

General Haig was advised that we would check with the Attorney General for clearance. He stated he understood that this was necessary and that he would contact the Attorney General and advise them of the situation.

ACTION:

Attached are four separate memoranda for the Attorney General requesting authority to institute telephone surveillances on each of the above persons.

ORIGINAL ONLY

* Attached is article appearing in "The New York Times" today in which Beecher quotes "well-placed Administration sources" concerning U.S. bombing of North Vietnam.

Today Supervisor Robert H. Haynes delivered the second letter concerning special coverage of Mr. James W. McLane which shows no pertinent activity has occurred. Mr. [] Assistant to the Honorable H. R. Haldeman, advised that they desired letters only when pertinent activity occurred and it would not be necessary to send a letter advising that there was no such activity for a particular day.

Regarding coverage on weekends, it was agreed that if there was pertinent activity Haynes would contact [] through the White House switchboard and make arrangements for delivery.

Mr. [] said that Mr. Haldeman had asked that his thanks be expressed to the Director for the very prompt handling of this matter and it was "most impressive."

ACTION:

If approved, letters will not be sent concerning Mr. McLane when no activity has occurred for a particular day.
